*Sister Dorothy was a loving parent and faithful. I knew her to be kind and tenderhearted. She exemplified what believers should be. We will meet at another place specially prepared for the faithful*

“ From your long lost Granddaughter.....even though I wished we were closer I know the bond we did have was wonderful. I'm so glad you never forgot me and kept in touch always...that meant a lot to me. I love you so much! I will miss every conversation, every compliment, all the advice you gave me!! You were a strong woman and I could not have had a better grandmother. Move on to your next journey Grandma...I know you will carry that big heart and spirit any where you go. Your love was warm and comforting to me. I will miss you❤️
