“ *Our brother and brother-in-law affectionately known as Doug will always be missed by all who knew him. He lived his life just as he pleased and that took him to many places and Melvin I will always have the memories of his travels to Jacksonville to add to many. No matter where Doug landed the love for his family and the love of his family was always there. Our fondest memory of Doug was watching him with his nieces and nephews. He kept them, cared for them, feed them and played with them. Most of all he enjoyed being with them. Well Doug we will miss that big smile and hearty laugh from now on. Take your rest!*

*Love from Melvin and Aquila*

“ *Family ties are like spider webs.they are delicate yet so strong and if they are broken or destroyed they can be woven again.and like spider web those intricate lines stretch out between all the family members creating a connection that can still be felt even if not immediately seen.the best thing about this family web is that it's sticky enough to hold everyone together and help them feel they have a place where they are LOVED*

*TO MY FAMILY: WIGGINS STRONG Bernice.*
