“ *My heart is broken. When I heard of your passing, it felt so unreal. I had the privilege of working with you at Portsmouth Naval Hospital on the Maternal Infant Unit, and in that time, you became more than a colleague, you became my sister. I will never forget the time my son was in the NICU, and you were there for me and my family, offering love and support when we needed it most. I want to send my deepest condolences to your family, especially your boys, Dionte' and Maurice. You will be deeply missed, and your memory will always be cherished.*

Michelle and I were Coworker at Sentara Obici Hospital, Suffolk VA. Not only was she a Coworker, she was a Friend, Encourager, Counselor, and Advisor. We often conversed about our family, activities, but most of all our Churches and God's Word! Michelle was a Friend indeed and a Blessed Sis in Christ! Rest Well Chelly Bug and I WILL SEE YOU IN HEAVEN! 🙏💕💕
