“ To the Family~Hold tight to memories for comfort,lean on your friends for strength,and always remember how much you are cared about. As the days and weeks pass, and as you return to life's routine, may you continue to feel comforted by the love and support of family and friends and continue to let God be your strong tower during this chapter of life.

His memory lives on through your reflections and celebration of his life. Sending you strength, wishing you all healing. We will continue to keep you close in our hearts and prayers. We appreciate all the thoughts, words of encouragement and the many prayers Wayne provided to our family over the years. When I think of the song "Somebody Prayed for Me ", I think of our wonderful neighbor. He was caring and thoughtful of others needs even through his own health issues. He was compassionate about his faith, family and friends. With our Deepest Sympathy.
