*Dear Daddy, I miss you every day and my heart hurts to know that you're not with me on this Earth anymore, but I will always and forever keep the memories we had together dear to me. I know that you are in a safe place now and you are watching over me as I grow with Papa, Uncle J.B., and everybody else on your side. I love you some much and I will never forget you, ever
Love, Diara <3*
