“ Earl lived in the same apartment community (Overture/Opus Select) as we did. I remember him as a life of the party. He taught / sang for us a country song. I think it was called 'If you be my Dixie Chick, I'll be your Tennesse Lamb' He would ask the visiting musicians to sing it at our events. I enjoyed his participation in our fun Great Gatsby event as well. My condolences to his daughters and special friend, Kathee.

*I had the pleasure of Cooking for Mr. Templeton at 2 Assistant Livings. He was one of the smartest, kindness, sweet, respectful, and opinionated person I know I will miss our car rides and conversations. I still have his gumbo recipe and all of his new Orlean favorites. My condolences to his daughter. Your father was loved by many and respected by more. A true angel has graced and left this world. To my friend Mr. Temple I miss you so much i love very much.
