“ *Mother Audrey as I lovingly called her was a great influence in my life and my husband Richard's. She loved us like her own children and there was nothing we wouldn't do for her.*
We cherished every message, call and her unforgettable voice. I thank God we got to hug and kiss her, and although she's no longer physically here with us, her blessed memory will live on. I love you Queen and miss you terribly.
My sincere condolences to all who loved her and to Aunty Damita, we love you and thank you. 💖💖💖

Well Done

*We will mourn but We will not grieve
Because in God word We do believe
That you are dancing from seeing Gods Face
You stood , endured and run a strong race
At that moment when you decide to Go home
We still couldn't believe you were gone
Your in peace now and that we understand To
But know we will truly miss you
No more prayers ,shooting the breeze or calls
No more talking or hearing your voice at all .
It seems like a dream but yet it so real
Emotions all over , not knowing how to feel.
Sometime I regret not being there to hold your hand
But I'm happy I got to say I love to my friend
God knew that you truly need rest
And He always knows what is best
I know you were an Angel sent from above
And that is why you are so Loved .
I won't forget everything you sowed into me.
Nor will I forget how you enlighten me to see
Clearly through God word and by prayer
I never seen a person like you who truly cares
For God people and will give your last .
And get your delivered from you past
Who will pray you through your worst time
And bring healing ,peace and yet so kind
But will correct you in Love as well
And tell you about heaven and Hell
I'll End this poem but know my heart is shattered.
But end the end you peace is all that matters
You have left a void that going be hard to fill
But I know things happen in God divine Will
So Good bye my friend and my sister
My prayer partner and my Mentor
Rest in God Arms you have done your part
And know you will be forever in my heart .
Rest well knowing you have carried your Cross
Laid hands on the sick & ministered to the loss
Sowed seed ,disciplined many and lifted up Jesus name .
and our Prayer is Lord let us do the same .*

I hear God saying Well done my good and faithful servant !

Love Stacy ❤️
