“ *Dimple was my big sister that I have always looked up to. She has always been there for me and my family. There wasn't anything that she wouldn't have done for us. She was blessed to have her older daughter Trina to take care of her from the moment she realized that her mom was sick until she took her last breath. She was with her even when she took her last breath and I see that as a blessing. My sister was not alone when she passed. That is a reason that I can smile. She is at peace now. I love you big sister. I will love you FOREVER.*
