“ I am going to miss your radiant and beautiful smile. We bonded over perfume but in the end you taught me resilience. I just know you are giving beauty tips in heaven.

Until we meet again

“ Sending my condolences on the departure of a beautiful person. I took this pic because my mom loved Mrs. Liz and loved her visits to Dillard's to stock up on her products and chat with her friend. I lost my mom on April 1st. Life is short but Mrs. Liz stories and spirit was an amazing testimony of living every day to the fullest! 🙏👤👤

“ I will cherish memories of Ms. Elizabeth always . She was my Lancôme Lady and she always gave me the best advice and teaching me things about make up. She always looked out for me in so many ways she loved her job and she loved what she did and she loved her customers so much . She would always do special things for me. she even delivered make up to me sometimes, she always went the extra mile for anyone. She also was one of the best dress ladies I've ever known . Ms. Elizabeth had a beautiful heart. She was a beautiful person inside and out . I know she's in a better place and we will all miss her. I pray for God to give her family Peace . God has gained another Angel. Fly high Ms. Elizabeth 🌸
