Dear family,

Why do you cry? I am risen. I'm no longer bound by a fleshly prison. I'm up in heaven baby and it's a vision. I always told you Jesus was the right decision. Don't shed any more tears for me. I'm blessed in God and finally free. Over all that's sickness, I have the victory dying in Jesus was the key. You know in this choir I'm doing thing, doing my dance and letting God's praises ring. You should hear me now girls I can sing all to God's glory you know, what I mean. See sweetheart I'm OK, so get rid of the gloom, rebuke dispression,, don't give the devil no room. Trust God with your soul and stay in tune just remember I love you and will see you soon.

Love Mom

“ *Ms. Elizabeth, thank you for Always treating me like a daughter. I have so many fond memories of you, from you chastising me & your daughter Carolyn, to all the great food you cooked, the cleanliness that the house was required to stay in...lol You could always stop by your house and get a good home cooked hot meal. No one makes spaghetti sauce like you did! You were kind to everyone! I will surely miss you.*

I am so glad that you got your Angel wings, and now you are flying high above the clouds.

RIP beautiful Angel!

“ Mommy, I love you. You were the best mother in the world to me. I will dedicate the rest of my life to honoring you and everything you have taught me. You will be with me everyday as i walk this earth. I have engrained a piece of you to escort me through the rest of my life. I will see you everyday as i look at myself in the mirror and know that you are there walking with me, giving me strength and encouragement as you always have done to face any obstacle life puts before me. i feel very special to be your "BABY". You gave me LIFE, i am here because of you. I will teach my children the ways of life as you have taught me. As i get older, i see myself imitating you as I'm working in my garden, cleaning my house or just sitting on the porch. I will grieve, but i will also rejoice in knowing that i was loved by you, 'THE GREATEST MOTHER IN THE WORLD TO ME.' Walk with your sons now for they are waiting for you with open arms. i look forward to when we meet again in heaven. I WILL ALWAYS LOVE YOU MOM.

Your Baby,
