“ Our hearts were saddened to hear of the passing of our dear Sister in Christ. We will miss seeing her at First Baptist Elm Ave Church and Saturday's yard sales. As her death can as a surprise to us we know it was no surprise to God for there she will be resting in His bosom. Rest on my sister until we meet again and to the family earth has no sorrow that heaven cannot heal.

“ I want to let you know that I was sorry to hear about the loss of your mother. I know that you two were very close. I wish I had words of comfort to help sustain you in your grief. However, the importance of mothers in our society, how many don't ever get to experience one, let alone, a good one and this can be painful to some, if not all a void in their lives. You were a lucky one to love your mother and your mother was there for you and that alone made her a great woman. Remember the best, not the worst or negative things (we all have them) about your mother and try to live your life in a positive manner so your Mom would be proud of your efforts, and invariably, so will you. Try to remember that "God works all things out for good." I will keep you and your family in my prayers.

"They are not dead who live in lives they leave behind. In those whom they have blessed, they live a life again, and shall live through the years eternal life, and shall grow each day more beautiful, as time declares their good, forgets the rest, and proves their immortality."
