*May God give comfort & peace to the Anderson family! Peace comes in knowing "to be absent from the body, is to be present with the Lord." Continue to hold close your beautiful memories!*

*Prayers of peace and comfort to the family. I remember growing up as a little girl living across the street from her in Churchland. I would go over into her yard playing with my little cousin Jeffrey on the swing set in their back yard along with my little brother Lemuel. She would always have food and snacks on the back yard table for us and we would play for hours. She was always soft spoken, kind and always had a beautiful smile.*

“ I was very sad and sorry to hear of my childhood friend passing. Ella Mae was a great caring person and a cherished friend. We attended the same elementary school and we both graduated from Crestwood high school. I will cherish my great memories of our time together as little girls and young ladies; eating from one another houses, jumping rope, walking bare feet to Mr. Thomas's store and most of all we talked about where we were going to live after leaving Churchland.

Ella Mae and I had not spoken for over 15 years. We were connected by way of Facebook. November 27, 2021, I called Ella May and we talked catching up on church, family, and friend news. Ella Mae often attend virtually Bible Study and Sunday service with my church, Paramount Baptist, Wash. DC, when COVID-19 had everything locked down, and we often called one another

May loving memories of Ella Mae bring you peace, comfort, and strength Laquetta, Clarice, and family my thoughts and prayers are with you. May God continue to be your comforter and give you strength when yours is gone. Ella Mae rest in Heaven.

“ *Ella, after thirty years of knowing you, I can truly say that there is no better friend! Until three weeks ago, we were business partners and working together to end it. We talked about moving forward, and maybe this is what you meant. This move was a great surprise, but I know our spirits are still connected. It was a pleasure to know you and to hear you say, “We don’t know if it will work, but let’s try it”! I won’t even try to replace you because no one can be so understanding and caring as you were to me. RIP.*

“ My condolences to Latraevia, Clarice, and other family members. Ella and I have been friend for many years. We both graduated from Crestwood High School and Norfolk State University. We both worked at the Naval Air Rework Facility on the Norfolk Navy Base. We were business partners years ago purchasing houses for rental property. However, we sold the properties when tenants would not pay their rent. Ella was the President of The Distinguished Senior club under the city of Chesapeake. I am also a member of this club. She scheduled a meeting with the members last Friday to plan trips and fun activities for the summer but that meeting did not take place because of her death. Ella will be missed. Etta Bone

“ *Ella, for over thirty years, we have been friends, from the time I met you at NNSY. Later we both went on to retire from U.S. Joint Forces Command. We continued our beautiful friendship after retirement and worked diligently together as members of the National Active and Retired Federal Employees Association, Brentwood Chapter 1697. The Chapter members are thankful for your support as our Past Vice-President and as our Treasurer. I cherish the great time we had together, full of fun and laughter. You will be truly missed! May God's love comfort your family. Peace Profound.*
