“ Ms.Ella it has been a year and I miss you as much today as the moment I got the call of you going to Heaven. I wish so much that you were here there are so many things I want to tell you. Things havent been going that good and I could sure use one of your loving hugs and would give anything to hear you tell me in your soothing voice how everything will be ok. I miss you so much. You were my very best friend. I know you are not in pain anymore and for that I am so very happy. I know that I have you as an angel on my side. Please look out for my mom and I ask her to do the same for you. I hope the two of you have become close and our enjoying eternal life and happiness with God. You two are the most beautiful Angels in Heaven but you both are deeply missed here. I LOVE YOU SO VERY MUCH!! I hope you hear me when I talk to you in my prayers.
