“ Ellsworth,

May God bless and take care of you and your family at this very difficult time. I know this had to be a difficult time for you because Ellsworth was my uncle and it was certainly difficult for me.

I often wondered why your Dad attended First Baptist Church as opposed to the family church. However, after the hospitality extended to you and the family, I now have my answer.

You certainly had a beautiful homegoing service for your father. God bless and take care of you and your family.

If you should need any help please call me at 486-6552. Call my mother at 486-4527 she would love to hear from you.
