“ It is with a heavy heart that I share with you my condolences in the passing of Uncle Stoney. The video brought tears to my eyes as I watched the tributes given. I can see his smiling face as I have never seen him mad or angry but always with an infectious smile on his face that lit up the room where ever he was present. I pray that God be with you all and give you the strength and solace in knowing that Uncle Stoney was a wonderful person to all who knew him. He will truly be missed. Cherish the memories you have of him. When ever you are feeling down and you think of him just picture him with that wonderful smile on his face. God Bless you and keep you. I love you all!
