“ To the Jones Family,

I was so saddened to hear about the passing of your mother and my friend, Celeste. She will be dearly missed, I will miss talking to her as she took her strolls to the store and even when we meet in Wal-Mart. I will miss that wonderful smile she always had no matter how she felt. She was so kind and wonderful to my granddaughter Antoinasia. She treated her as one of her own grandchildren and I thank her for that. My prayers are with you as you take this journey of sorrow. I am here if you need me.

*I am so sorry to hear of the passing of Celesta. I am glad that I had the opportunity to visit her the other Saturday. She was happy to see me. She was in good spirit. She showed me a photo of her youngest grandchild and told me that she also has a great grandchild. She is at peace now. Love,
