“ I met Elsie in October 1969, when we both started working at The STOP Organization Head Start Program, located in the Franklin Bldg on Bush Street. I was a Social Services Worker and Elsie was the Secretary. It was at this time we developed a lifetime friendship. When we both moved to Bell Diamond, my daughter, Beverly became the babysitter for Elsie's kids, (Gina and Carlos). At the time Elsie had a Pinto which was a small compact car but we would take her two kids and my three girls and go everywhere. We had lots of fun back then. Sometimes when I worked in Portsmouth I would go by her parents' house on my lunch break and they actually adopted me as one of their own. I am really going to miss my dear friend. Rest well Elsie in the Arms of the Savior. Until we meet again on the other side. Praying for the family.

“ *She loved my daughter as if she was one of her own grandchildren. Every day I would visit her she always asked me how Xyla was doing and to tell her she loves her. The best advice she always reminded me was to always be there for Xyla. Love British&Xyla! It was always a fun time with this little lady. I'm truly going to miss her.*
