“ E, you were the most amazing dispatcher and mentor. You always helped me put things into perspective, and I never heard an angry word from you. Even when I probably would have deserved it. You gave me so much knowledge and perspective, and pushed me to continually better myself. I also very much enjoyed hearing about your past, your dreams and your children. No one can replace you, and I will forever miss our chats. My deepest condolences to his family. E had an absolute beautiful soul, he will be greatly missed.

“ E, everyday was filled with laughs and smiles. You told stories that had purpose, poise, laughs, and seriousness all at once. You were never mad - never upset or apparently stressed. You gave everything you had to everyone around you. You shared wisdom and strength with everyone you ever met. Every talk had meaning and every lesson you taught I will remember for years. I miss you to no end E - I hope its beautiful.

“ *Elton Ferguson was one of the hardest working, devoted and dedicated people I have ever worked with. Connie and family we are with you during this most difficult time. We are family for sure. There is not a soul in the Portsmouth Police Department and PFRES that he hasn't touched in some way. May the sorrow you feel in your heart lighten by the love that surrounds you.
