My Heart And Soul Goes Out To You And Your Family

Emma Gaines was the mother of one of my dearest childhood friends. We called him I. C.,. we both grew up together in the projects, we both entered the Air Force, and we were pals. I just learned of Emma's passing. When my dear mother Vivian passed they were both present at her funeral. Had I known of her passing I would have been present. I don't know how to get in touch with I. C. Gaines, but I want to express my heart felt condolences to him and his brother Horace. May flights of angels take her to her rest.

May I express my incalculable condolences to him his brother Horace and his family at the lost of his dear mother. I.C. attended my mother Vivian funeral in 2014, had I know about Emma's passing I would have attended her funeral also. She will be missed by many. May flights of angels take Emma to her rest.
