“ I’m so hurt to hear about Emma passing, I live in the building with her, I’m on vacation and when I got the call, my heart dropped I’m the one she calls CUZ, I loved her like a real sister. RIP my good friend

I remember my mom talking about you. i’m pretty sure she introduced me. Everybody dies every last one of us every time whenever our loved ones dies it carve a little chunk out of our hearts. Some of those chunks are bigger than others. Some of them are just so big they can’t heal.
