“ *I'm Carolyn the second oldest daughter. I want everyone to know that I love my father very much. My father was a very proud man and sometime stubborn. What I remember is the times my dad would let me stay in the room with him to watch television. There are many others to mention. What I always will remember is when he gave me away at my wedding. That took a lot for him but he knew that I was in good hands. He may be many things to others but to me he was dad. I will always carry you in my heart.*

“ *I'm Annette (lil Ernest) the daughter of Ernest Jones and I would like to say my father was a strong man with a strong love for all of his kids. Although many of my friends thought he was mean because of his serious look he was a teddy bear at heart. He always provided for his family and never took any crap from anyone. He has six daughters and yes we were a handful at times, but he was always there and never ran away from his responsibilities of being a father. I will miss him dearly and will always remember the fun times, the jokes, the dancing in the living room when we lived in Bowling park, and my all time favorite..... the french heel shoes from his back in day stories he told to my sister Jan and me. I will always love and keep my Daddy in my heart and memory.*
