I met the Parker family well over 42 years ago, and was immediately proud of such a loving, closely knit family. I thank God for them and the love they have shared & June (as he's always been lovingly called) was one of the best "brothers" anyone could ask for. I pray that God has given him the peace he so greatly deserved and for his family to remember him as June we've always knew. The Singer, the Gentle Man, the Kind Man & most of all The Spiritual Man he was.

“ Angel, and Family!

There are no words Im sure that can help with this time but all you can do is thank the Father that he's out of pain. I have only known Angel from going to school and if she is any thing like her dad I am sure he was a fine type of man. I know that when it comes to dad and daughters the fruit does not fall too far from the tree. Love and bless you all.

*Love you angel,
