“*Ms. Essie, Aunt Essie, cousin Essie, it didn't matter what she was called she was always friendly. Happy to have you and accomodating to all yours needs when you was visiting her. From since I can remember, we visited every summer. I never seen a frown, never heard her raise her voice always smiling not a mean bone in her body. We love you and are truly gonna miss you Ms Essie Shearrin. Smile down on us from heaven. RIP Peaches and family*

“*My Grandma is gone, but she will always be in my ❤️.. Whenever she call me no matter what time, she'll tell me I haven't heard from you in 2 days... So I tried to call her every day, even on my break time at work... I told her before she took her last breath, that I was coming back to lay down beside her so we can chill out as I rubbed her forehead... I guess she didn't want me to be there when she took her last breath, because she knew that I was not going to let her go.. Now that she's chilling without me, I feel her arms around me every night letting me know that she's still here in my arms also... I LOVE YOU (GRANDMA ESSIE MAE SHEARRIN) ALWAYS AND FOREVER FROM THE TOP TO THE BOTTOM OF MY HEART.*

“ The family of the Late Alexander Holliman, Sr. sends their deepest sympathy to the Shearrin family. We are so sorry for this great loss. We will really miss seeing your mom/grandma. She always carried a smile and was so happy to see family. (Sonja) I /Anita came by the your mom's house on Monday, but no one was home. Family, remember that the bible says to be absent from the body is to be present with the Lord. No doubt she is with her Lord and Savior, Jesus Christ. 💕
