It's been 3 years and we are so appreciative to every act of kindness and every monetary contribution made. I regret not knowing how to make closure for some but my Mom had given me instructions on graveside and one week to let everyone not grieve any longer than necessary...love y'all and again thanks.

“ My sincere condolences to family and friends of Mrs. Macklin. May God's love grant you peace and comfort as you grieve the loss of your mother. I've known Mrs. Macklin for years, spoke on the phone with her a few months back, when she called to check on and speak with my mother. It was as though time stood still, same compassion and friendliness that I've always known her to have - she indeed was a beautiful and kind person.

Wishing you peace and comfort during this difficult time. I remember your mother’s kindness and caring nature when I lost my mother as a child. Ms. Macklin taught me how to make vegetable soup and I remember her holding me in her arms as I cried for my mother on the day she passed, Praying God will grant you the strength to get through the difficult days ahead.

“Offering prayers for the Macklin family. May you find strength by reflecting upon the love that was so freely given to each of you and to anyone who came into the presence of Mrs. Macklin. I will never forget how comfortable I felt whenever I was around her. Those family members, whom I know, have so many of her kind and loving attributes. Please stay before God, love and support one another as Miss Ethel would desire.
