“ I will always remember my older beautiful cousin coming to visit her Aunt Willie (my grandmother) with her husband and beautiful baby. I was delighted in holding and kissing her baby. Teen was always kind and loving toward me.

May the light and love of the Almighty God guide Teen to her eternal heavenly home.

“ Marvin & Pauline: I am thinking of you all during this difficult time. It's always hard to say goodbye to the ones we love. I know you are already missing Ethel, and as you continue to do so, think of the good times you had, the love you shared, and the storms of life that you faced together. God can and will soothe your broken hearts. HE will be with you always and HE will continue to take care of you all. I will be thinking of you all in days and months to come. I love you all because we are "home folks" - so I'm sending you greetings from the Barrow Road community, and the children of Oscar & Janie Gary. May God bless you.

“ Marvin: We, the Class of 1971, are so sorry about the passing of your sister. Our thoughts and prayers are with you. Know that we care. We know your faith is strong, so lean on it and God will take care of the rest - for HE knows your heart, your feelings, your concerns, and the list goes on and on. God will give you strength and comfort and provide ALL your needs. HE will take this walk with you all the way. Ethel will live in your hearts forever because love leaves memories that no one can steal. Death leaves heartaches that only God can heal. We are sending lots of love and hugs to you, Pauline, and all of your family. Your loved one is resting in peace now.

“ Easter Family,

God bless you, all! Ms. Ethel was so loved and cherished! She will be greatly missed! It was a treat to visit the sick with her, serve as missionaries together, and worship God together on Sundays! We love you!
