“ *You will not be forgotten...we shared many a thing, but the one thing I cherish is that we always shared truth with one another. Thank you so much for letting my children experience the love of a grandmother. You touched their lives more than you understood. I cherish their memories of you along with my own. Some of my favorites are the phone calls they made to you when they were just little kids to tattle on their father so you could get him straight...and their memories of packed goody bags every time we came for a visit and had to return home. They are grown men now but they remember with fondness the things you did in their lives. They didn't even care that you went down the list before you got the right name...thank you my love. My heart will not be the same, love Jo*

“ *I will really miss Ma Mickens!! She was a mother to our church family and shared her love with all. I will remember our little outings we had, whether it was going to the store, or doctor's visits. When I worked at Thomas B. Hargrave Daycare, she would always call me over to get a tasty lunch. She was a great mother figure to me and that I will always cherish!!! May God continue to bless the Mickens family during this difficult time. She will truly be missed!!!!!!*

“ You can have one special Grandmother Mickens
Patient kind and true;
No other friend in all the world,
Will be the same to you.
Thank you for all her loving kindness,
She asks nothing in return.
As we look upon her picture,
Sweet memories we recall,
Of a face so full of sunshine,
And a smile for one of a kind
Sweet Jesus, take this message,
To our dear Grandma up above;
Tell her how we miss her,
And give her all our love.
