“ Dear Faulk Family: My mother and I have delivered meals on wheels, the last Monday each month, to Mr. Fenton Faulk for the last several years. He was such a nice man, always sitting on the back porch in his barber's chair and appreciative of our deliveries. We will be sorry not to be able to visit him in the future. I'm sure he was a blessing to your family; he certainly was a blessing to us.

God bless you and comfort you as you grieve his loss. We will think of him often.

“ I'm so sorry to hear of your loss. I delivered "Meals on Wheels" to Mr. Faulk for the last 3 years. He was always a gentleman and so kind. If it was raining, he would come out to my car to get his meal before I had a chance to get it and take it to the door. It was a pleasure to visit with him. I will definitely miss him. You're in my thoughts and prayers. Teresa Shuma###imported-begin##Teresa Shuma###imported-end##

“ *My Condolences to the Faulk Family. I was blessed to have an Uncle that was always a Ultimate Christian and Role Model. I remember my father (Hilton Cassell) making me go to Uncle Finton's to get a haircut on Saturday mornings and HATING (afro 70's) to have to go get that haircut. What's special about it is I GET THE SAME CUT now that Uncle Finton gave me all my childhood days. I was glad to be in town on this past Sunday to be able to stop and see everyone during their most trying hour. Unfortunately living 700 miles away in Albany Ga. I will not be able to attend the Home Going service. Our Prayers are with you.*
