Dearest Woodard-Crump family,

I'm saddened you lost such a loving sweetheart of a person my dear friend your mother. She was an example to me. I express my condolences to you all who she dearly loved. She would often share with me her life's stories. I smile as I recall memories of her, I'm positive you all will find comfort in your memories of her life. Until we see her again let them be your motivating strength as time goes on.
