“ My uncle, Pisces buddy, and friend. I will always remember you being around and giving me money when I made the honor roll. At that age, I didn't realize how much of a blessing it was to have a great-uncle. I have always admired the love you had for your sister, my grandmother. Thank you for protecting her like a brother should. Although I know you are in a better place, you will truly be missed. Your memories will forever live through us and will never be forgotten. I love you forever and ever.##imported-begin##Monique ##imported-end##
