“ Life is so short. Spend it with no regrets. Love them while they are here as much as they allow us to.
It's so sad when you watch families that grew up so close that I could sit and listen for hours of the stories they would share when they all were at home at the same time. I was so envious . It was so sad to drift these brothers so far apart .
I realized that once the parents had passed away that's when they drifted apart. Fred sr. and Mary Pannell we're the glue that kept Freddy boy (aka) Fred, Joyce, Ronson (aka) James David and Carlton also Richard , Rosa and Odell together.
Freddy boy you will greatly be missed. Rest easy my brother in law
