“ Uncle Fred will be missed more than words can express. Our hearts are heavy, but our memories will keep Uncle Fred near to us. He will never be forgotten and always loved. May he rest in peace. May our Lord and Savior keep and strengthen our family in this time of sorrow. Respectfully, Troy, Felicia, Zuriel and Aliyah Carmichael.

“ Words can not express what you meant to my husband, Curtis Dixon, our two sons - Curtis, Jr and Corey and myself. I've known you since I was a little girl growing up with the Franklin family next door to your house. Then, I married your nephew, Curtis Dixon. We will miss you immensely. Curtis got his love of racing and cars and mechanical work from you. He was with you until the end- loving and caring from you. He did his part to honor you and your life. We will miss you forever. Love Always--Toni and Curtis Dixon & family

“ Uncle Fred thanks for all the memories of you and my dad racing together and the rides in the back seat of the turbo Corvair. You were a mechanical genius ahead of your time. Our entire family will miss you and the days of working in your garage for race days. Lem
