“ I miss my Auntie so much, but I know she is in heaven smiling down on us as life is still moving and she says sweetly "It's okay to move on...I have." She wants all who loved to live life with all the abundance she did in her time here on earth. It's okay for us to still smile and never be ashamed to laugh. She loves us all and we love her too!##imported-begin##Ashney Vann##imported-end##

“ It's really something the way God orders steps and time. I am happy to say that I knew such a vibrant spirit known to us as sis. Freda. I look at her passing as a gain to the Kingdom, another one of the saints gone home to true worship. Oh how I wish I was at her homegoing service and I am saddened that I couldn't attend. To her family, I know you all know God chose one of the best to bring home, and Venecia you will stay in my prayers and as time moves forward may the Lord continue to strenghten you by the second. We will all be united in worship someday.##imported-begin##Lauren Nichole Knight##imported-end##
