“ To the family I offer my condolences. Fred was my neighbor for 27 years. I have always been able to count on him for whatever. We have had many tool time over the fence conversations where he offered his wisdom and insight. I will miss him greatly he was truly a great friend and neighbor. May GOD strengthen the family through this time.

JA

“ *I am deeply sadden to hear about the passing of Mr. Woods. I will always remember the conversations we had about his love of cars and bowling. Mr. Woods will be missed by all who know him.*

My deepest sympathy to the family.
