“ I remember when we three were picked up by  
DLA. Garfield, Gregory and me, Mary. We  
were very happy, April 8. We were the three  
musketeers. And now one of us has passed.  
He was a beautiful person. Our working up  
there in bldg 280 was a blessing. Working and listening to gospel  
music. It couldn't have been any better. I missed him when I left and  
now, it is bitter sweet. Everytime a song came on, all I had to do  
was ask Garfield and he would tell me the song and who was  
singing it. What a wonderful man. God has a good one. Rest well  
Garfiled, I am sure God has great plans for you. You are never  
really gone from us as long as you are in our hearts and minds.

“ I remember when we three joined civil service together, Garfield, Gregory and me, Mary. We were the three musketeers. We worked upstairs in building 280. We had some great times. Working and listening to gospel music. I didn't know alot of songs, but when one I liked came on Garfield would tell me the song and who sang it. What a kind sweet man. I missed him when I left and now that I know he is in a better place, well it is bitter sweet memory. Rest well Garfield, your jouney is over and you are up there singin with the greats.

“ Garfield was a very kind man of God. I had the pleasure of working with him at Cox and I can honestly say I have never heard a negative thought exit his mouth. He always maintained a smile on his face and I never seen him in a angry state. I pray God's mercy over everyone that he has left behind. R.I.P Garfield you will be forever missed,. L. Decquir.
