

Georgia Pierce

January 15, 1939 - January 11, 2015

On January 11, 2015, the Lord called home his faithful servant after being ill for a short time. She took her illness as she took her health. She was faithful to her church, willing to do whatever she could, when she could. She was with The Educational Ministry and attended Prayer Meeting of ten. She was preceded in death by her husband William Pierce, her mother Mable Foreman, father George Daughtry, her step-father B.B. Foreman, sister Doris Johnson and grandmother Mary Snips. She leaves to cherish her memory one son Kenneth Waterman (Renita); three grandchildren, Imarai, Kenneth Jr. and Shemika; one great grandson, Jaden and a host of nieces, nephews cousins and many who will miss her. Rest In Peace Rest in peace, how much this says Be free of pain no more to weep Find joy that never ends Posses new life that here you could not keep Rest in peace and though we grieve Reaching for you hand in vain Our faith is such that we believe That all of us shall meet again.

“ *Where do I begin to express all the memories I have of you auntie. So glad I was able to see you and spend time with you before your passing we talked about God and His promises and how faithful He is so I know you are in excellent hands now and that makes your passing a little easier. I remember when you all would come home from Atlanta and all the fun and laughter that was shared. I'm sure your entry into heaven was much like one of those trips with the whole family waiting to welcome you letting you know that you are home once again with all of those who left you here for only a little while. I'm sure you and mamma are keeping Buck in line and Ma Mabel is ruling the roost.*

“ Kenneth, You have my sincerest condolences on the passing of your mother. Georgia was my classmate. We graduated January 1957 from I. C. Norcom High School. She was our Homecoming Queen! She was always immaculately dressed and had a beautiful personality to match her beautiful appearance. In March of 1957 we left Portsmouth, VA to attend North Carolina A&T State (College) University. Over the years, we lost touch but intermittently saw one another and shared our life's journey over the years. I last saw Georgia in 2007 on the occasion of the 50th Anniversary of our graduation from high school. May God Bless and keep you.

“ I remember when Shemika was 4 and my parents and her grandparents(Buck and Georgia) came to my house after a snow storm to get her and Georgia twisted her ankle breaking it. Shemika was back home by the time she realized her ankle was broken. Buck came back to get Shemika to stay with Georgia while he worked. I thought she would be of no help because of her age but Georgia laughingly said "I don't know what I would have done if it weren't for that lil girl. Buck left the food in the refrigerator and she'd get it for me. I enjoyed her company too, she's just like a lil old woman." We had many laughs about that and so many more beautiful memories.
