“ Mrs. Torain was one of the first people to welcome me to Union Baptist. She was such a loving person. I had the pleasure to work with her at Airline Boulevard Head Start. The staff could always count on her to fix a big breakfast for us. I can only imagine her and Bishop Russell, Sr. rejoicing in Heaven. My condolences to the family.

"Earth has no sorry that heaven can not heal". To Mr. Torain, Lisa, Dana, Tammy, and Cindy with a heavy heart I was sadden to hear the passing your wife and mother. We work together for years at S.T.O.P HEADSTART. I will missed our thousand hours of conversation over the years. She was a good role model and that's what I love about her, but the most important thing about her, she was a Christian and she's resting in the bosom of Jesus! I so sorry I couldn't attend the homegoing! We shall see her later and that's GOOD NEWS

“ Gertie and I worked at STOP Head Start together for many years. We became friends and during the time when she was a driver, I use ti drive in hr place whenever she had to be out. The children that she transported was so well trained that I did not need a route list because they knew the route and told me which way to go. Gertie was a very pleasant person with a smile that captured your heart. She would also bring delicious food for the staff, Of course her husband was an excellent cook. First Baptist West Munden and Union Baptist use to fellowship together when the late Pastors; Rev. Dr. John L. Ashby and the Bishop Clarence V. Russell Sr. were living. My sincere condolences to the family. Mzy God continue to bless and keep you during this difficult time.

“ *I remember when Gertie first came to work at the STOP Organization Head Start Program as a bus driver. whenever she had to be out I would drive in her place. It was a pleasure working with her even when she became a Teacher Assistance. We became real good friends and remained friends. Gertie was a rare find and believed in doing whatever she could for whomever she could.*
