“ Just found out about Greg "Radio" Bryant. An old friend and homeboy of mine. I was his neighbor who lived directly behind the Bryants. We used to hang all the time. A lot of times doing things that I won't mention here. It was the good ol days. The 70s and 80s. House parties were off the chain. I've been out of touch with him and his sister Connie. I'm living in Norfolk and blessed. My thoughts, prayers and condolences to everyone. When I found out was from a mutual friend of ours Wendell Jones. Man, I was floored with the news. May God be with Connie and other family members. To Greg: Rest in Paradise.
