“ To the Hill family from the Carter family thank you for allowing us to be apart of your family. My deepest and most powerful memory of my friend and brother was seeing the love he had for all, especially for his family. I have no doubt that God will keep you throughout this very trying time. Blessings and Gods love upon you all.

“ To the Hill Family: We, the Gatling family, extend our deepest condolences and prayers. Guy and Connie both are friends of the family. Guy is now resting with my husband Don, his former barber, whom he would joke with and share things about yard work, as they both loved keeping their yards in A-1 condition. He will be missed greatly. I pray the comfort, strength and peace of God over the family. Just know that the Lord is a keeper of His promises. He will never leave nor forsake you. Love you all! ❤️

“ I haven't known The Hills long, but in the time that I've been blessed to know both Pastor Hill and his wife Elder Connie, I've felt absolutely welcomed and tremendously loved. I feel so very blessed and honored to have known Pastor Hill, the Best Buddy in the World, for the time that I was fortunate to have. My sincerest condolences go to his wife and their family & friends.
