“ Please accept mine and my family's condolences for your loss. Harrison was a good friend of mine from elementary school all the way on to Virginia State. Though I hadn't kept in contact with him for some time, I've always regarded him as one of my friends I grew up with and have fond memories of. We shared many deep talks about life and our experiences as we grew from boys to men. Many great times and many learning experiences. May God bless you with a healing peace to comfort you all in this season.

Sincerely, Chris Crennel, The Crennel Family

“ Words cannot express the level of grief I feel at this time; however, I offer my deepest and most sincere condolences to the entire Winstead Family during this time of transition.

*Brother Harrison Francis Winstead was a very significant part of the Zeta Iota Chapter of Omega Psi Phi Fraternity, Inc. for many years; for his faithful and dedicated service as a chapter representative for the Portsmouth Panhellenic Council. Brother Harry was serious about his fraternal commitment and could often be seen and heard inviting/encouraging inactive brothers to return to serve their local community. His smile and uplifting spirit shall never be forgotten.*

*To Hilton, Brother Huron and Pop-Winstead, always cherish the pleasant memories. Allow God to comfort and keep you now, just as He has in the past. "Earth has no sorrow that heaven cannot heal..."*

*With sympathy and much fraternal love,*

*Brother Michael L. Williams*
