“ My Special friend, we met at a late date in our lives, but we had fun running up and down the road feeding others, eating at all the restaurants we could cover, shopping until dusk, but most important praying and praising God will whomever we met. I thank God for bringing you into my life. Until we see each other again. Heaven called and you answered. Your best friend Everlena ☐

“ I remember spending a lot of time with Jennifer in the home of Mother Bremby. Mother Bremby was the sweetest person with a warm smile. I loved watching her make the BEST coconut pies. Barbara Ann had the candy stash, we would ask Katrina to make cheese biscuits and sociable crackers, Janice made the best beef and onions dish. I remember riding in the back of the Lil blue Toyota Corolla singing with Jennifer and Mother Bremby smiling enjoying our singing. May God keep the family in His Perfect Peace. I Love you, Sonya Brown Terry

“ I spent many days at Mother Hattie Bremby home with Jennfier. I would stay over for days if no school or go over the weekends after church. Mother Bremby was the sweetest person with a warm smile. My favorite memory of her was watching her make the BEST coconut pies, a few folks came close but her recipe was perfect. I remember Barbara Ann had the candy stash, Katrina would make cheese biscuits and sociable crackers, and Janice would cook the best beef and onions. Remember the days of riding in the back of the Lil blue Toyota corolla with Jennifer while Mother Bremby playing gospel music listening to us sing. May God keep the family in His Perfect Peace. Love you all Sonya Brown Terry
