Only, known you for a short period of time but the Love, you showed left such an impression on all you touched. When I think of the children's lives you touched in the 6 TO SIX Before and After School Program offered through the City of Portsmouth Parks, Recreation and Tourism. Your dedication and service over the years stand out as an example of your love for them. This only speaks volumes for the love you had for your family and friends. Your compassion, wisdom, gifts, and talents will be missed by all that had the pleasure to know you. My heart and prayers go out to the family at this time. Such a beautiful person inside and out. Rest now, strong woman of God. You will never be forgotten. I thank God for the seven years I have known you.

*Love,
Sharon Turner*
