“ *Extending our most heartfelt prayers & condolences. Helen was my mother's last surviving girlfriend; they had been best friends for over 40 years. Helen often used to talk about how when my recently deceased brother was little, my mother wouldn't let anyone else watch him but her & her oldest daughter Fruitie. Helen was a second mother, mentor to me & a dear family friend for MANY years; she was the one who taught me how to make bbq from a fresh pork shoulder. Much love to you all, Joanne & Precious Jernigan, Norfolk, VA*
