Will always love and remember you. Thank you for being greatest step father ever. You loved people and was always smiling. So many great memories. You check on me even after my mother pass. I tell everyone you were my dad not step dad. RIP Jacqueline Logan

“ *We were so sorry to hear of the passing of Henry and we are sending prayers and hugs to his daughters and his family. James and Henry were long time friends and shared many work days and laughs together. I loved to hear Henry talk about his daughters because his eyes just beamed with love through the whole conversation . We will continue to pray that God will wrap His loving arms of peace and comfort around you during this time and in days to come.*
