“ *To: Hersey's Family*

Hersey and I were classmates throughout school until graduation in 1967 from "dear ole" Booker T Washington High School of Suffolk, VA. I haven't seen him too many times since graduation; however, was very saddened to hear of his passing. His brother Buryl was in our graduating class as well. I will keep your family in prayer and may Hersey's soul forever rest in peace.

“ Many years have past, since I saw him last; but memories we shared, shows how much we cared. Rest now my brother as we shall meet again; in the home of the Father where we shall forever be friends.

Too much time has passed since I've seen my "classmates"; but I say to Buryl and to all of my classmates family, Let Your Little Light Shine for Hersey. We were not only classmates, but we also grew up in the same neighborhood practically - Hersey/Buryl on Beech St and me on Mulberry Street off East Washington Street.

"To God Be The Glory" for all He has done.
