“ Bruce had a sense of humor that maybe some didn't see. I was lucky enough to enjoy some inside jokes with him. Very glad to have had a visit with him and Tina in November 2021, Hugs and love, Norma

“ My little brother! Even though he stood a foot taller! Mom always told me when she told me I was going to have another brother, I asked her to give him back!! So glad she didn't listen. All my life I could count on both my brothers now it's just one! But I believe there is a big family reunion in Heaven!! Love You Bro
