“ Our first MEAC tournament game together around 10 years ago. You preferred staying in Smithfield, not willing to go outside of your hometown unless the event was planned weeks or months in advance. I lost the only Mother that God assigned to incubate me for 9 months. I'm thankful that you never let me out of your nurturing. No one knows how alone being Motherless is. You will never be forgotten.

Such a beautiful soul. I worked with miss Ida at the Smithfield times. She always made me laugh. Tearing up thinking about her passing.

My condolences and heart felt prayer to the Evans family. I often saw Ida shopping in Smithfield and she would always come over to speak to me. We were classmates in elementary school at old Westside High. May God grace and mercy continue to comfort the family. You're in my prayers. Paulette Graves Cypress

Paulette Graves Cypress. I remember Ida as a lovely person. She was friendly and polite. She always would come over to talk to me when we met up in town. We will miss her, but God knows best for our lives. We submit to His perfect will, and hold on to our loving memories. May God's Devine hand of mercy and grace be upon the family during their time of bereavement. My prayers be with the family.
