

Indy Daniels

May 20, 1998 - June 26, 2015

Indy was born May 29, 1998 to Tammy Albertson and James Keith Daniels Sr. in Norfolk, VA. She was the baby of thirteen children and was the spoiled one out of the tribe. She attended Brunswick County High School where she would have been returning as a Senior in August. She was very fashionable and well known for keeping all of her older siblings hip to the new trends. She enjoyed spending time with, friends, family, her Banana and Strawberry which were her two favorite siblings Keith and Lyanna. She had dreams of becoming a model someday and would always tease her siblings about how she was the prettiest of them all. Indy was the life of the whole entire family, was always seen laughing or smiling and would give the clothes off her back to someone in need. It's still hard to see our ball of sunshine leave so soon, but we know that God had a better plan for her in heaven and she's probably up there now trying to put together some way to makes us all smile again.

Indy leaves to cherish her loving parents Tammy Albertson and James Keith Daniels Sr., three sisters, Lyanna Daniels, Javay Daniels, and Areree Daniels; a total of nine brothers, Derick Daniels, Donell Daniels, Shemar Daniels, James Keith Daniels Jr, Jamarius Daniels, Jon Daniels, Jonathan Daniels (Felica), Marvell Daniels and the late Ahmad Daniels; one niece and one nephew, Aziyah and Milton; her family dog Pumpkin and a host of aunts, uncles, and cousins.
