“ *This woman was and is the most amazing and compassionate person I've ever known. I hate to hear her children and grandchildren did not follow in her footsteps. Any person that would deny a child the right to know her mother has passed is a evil person. The person and/or persons that took this action will have to face there mother and there maker in heaven. I pray her lost children will find there way. God bless Sharon and Mitchel and I'm so sorry you were unable to set you mother/grandmother to rest. May I pray this message stays posted as it would be the wish of any mother who has passed and knew her child was denied to see her rest.*
