“ Hey uncle Bubba. Coach of Team Go Get ‘Em. Gone but not forgotten. I appreciate you for always believing in me. All the way from back in the days of me living in Pleasant Park and coming to your house on Wingfield. I could always come in that back room and find you curled up on the bed watching tv but you always had time to stop and chat with me. You were always so interested in my education and future plans. You only wanted success for me. And you were very proud of all my accomplishments. I appreciate you because I know you only wanted the best for me. You be easy and rest in power. Much love...
Your great niece, Trina

“ *My dearest Uncle Bubba, thank you for encouraging me to be greater than my circumstances! You showed me that hard work and dedication would not only bring success, but it would give me a purpose that no one could ever take away! I'm going to miss our talks about football & how you and Auntie were going to go to a game with Danny & I. Now you have the best seat in the stadium!!! Continue to watch over us, and our team!!
Love you Uncle Bubba ❤️*

“ *My first role model, my protector, my inspiration, my best friend, my granddad, my dad and partner in crime ... I can go on and on. All the car rides, store runs, baseball lessons, advices and vacations. You've been here for me since 1996 and you are still here with me in spirit. I will always keep you in my heart, my mind and prayers. I'm still waiting for you to come home from the hospital but you are home in God hands no longer suffering and I have to accept God's calling for you to be in heaven. I remember you telling me ,you wish you can talk to your mom and hear her voice again... now you can and tell her I said hey and I love her. I will continue your legacy and I will always be here for your wife and daughters. I love you so much and I'm going to miss you so much* ❤️🙏

“ *I met Bubba in 1975. I was a 19yr old Norfolk officer in the Berkeley district and he was on the Chesapeake side. We had areas on the line and went back and forth helping each other. He became a life long friend. I spoke to him a few days ago. There was no better human being alive , he was honest, professional and a man of enormous integrity. We did quite a bit together and on some gatherings I never laughed harder. I loved the man and will never forget him. He will be in my thoughts forever as one hell of a friend. Robin and I pray for Vivian and the family. James and Robin McMahan*

“ *My oldest brother will be dearly missed by his family and friends. He loved sports especially his Duke Blue Devils and the Washington Redskins. Some of his hobbies were vacationing with his family and visiting favorite resorts. A few of his passions were playing and coaching softball especially with his daughters and grandkids. He had the dream job of his life in being a police officer in which he truly loved. He will be dearly missed and will always be my “Best Man” Love you “Bubs” rest in peace.*

Advice, Stability, Challenges, Good Stories, and Love is what I got from my Father. Words can't express the sorrow we feel as a Family. His Pain is gone. His joy came last Sunday. It's hard to process him no longer being here. May God grant our family Peace in this very difficult time.
