*I first met Isaac through his wife, Angela, and from the moment we crossed paths, he welcomed me with humor, warmth, and wisdom. I'll always treasure the countless nights we spent laughing until the early hours of the morning. I'll miss his calm presence, his incredible cooking, and the captivating stories he always shared so effortlessly. Thank you, Ike, for the memories and the joy you brought into our lives. Rest In Peace my Friend 🕊️❤️🕊️*

“ *I met Isaac in New Jersey. The plant there was in the middle of an UAW drive and JCI sent me there to help out. Isaac was a forklift operator, and he was outside taking an unauthorized break, he had not met me yet, so I was talking to him about management and them trying to straighten things out, he says to me we done ran about 7 managers out of here and now they have a old country AZZ Knee grow from Va coming up here to help. He says I bet you 100.00 dollars he don't last a week. I said Ill take that bet! He says what makes you so sure. my reply Im that country AZZ Knee grow from VA. We were friends since then*

*I met Issac as we were getting ready for twins between his daughter and my son. We were blessed with two identical twin boys Kareem & Kyrie. Issac and Angela were happy with more blessings and I saw a happy grandfather around his crew. Kareem became our angel and it does me well to know that Jareem and other family came to welcome his granddad. After all Kareem favored him to me. God bless you Issac. Rest well and hug and kiss Kareem for all of us. No more pain or troubles.*
